REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: None of the prior art of record, alone or in combination, teaches an extension for filling a fuel tank having a translucent body adapted to be slidably inserted into the inlet of the fuel tank and external male threads to permit a fuel cap of the fuel tank to be placed thereon, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The Maynard, Jr., Donoughe et al. and Kupske reference pertain to various fuel extensions, similar to Applicant's device.
